

distribution is **TUESDAY** and **THURSDAY**—other days available by arrangement
(218) 590-1210 · adam@transistormag.com · 602 N. 6th Ave. E., #A. · Duluth, MN 55805

The **TRANSISTOR** offers postering services for the Duluth/Superior area. With a quick turnaround and a reasonable fee we can guarantee your special event materials will reach valuable eyes at 40+ locations throughout the area, including West, East, Downtown and the Hillside in Duluth; Tower Avenue and UWS in Superior, plus high traffic locations at LSC and CSS. Promote your event and save some time while you're at it. Below you'll find a list of postering services we offer.

Poster Distribution » \$30

Twenty bucks guarantees your gig and special event posters hung at 40+ approved sites across the community. Posters are distributed within one to three days.

Design Service » starting at \$30

Unique, eye catching materials in black & white or color. Poster design rates start at \$30/hour and can easily be converted into advertisements, handbills and assorted materials. Prices vary for color, conversion and nontraditional formats. Please inquire!

Pickup » \$5

Have your materials printed at **PAPER HOG** in downtown duluth, and we can pick them up for FREE. Alternately, drop off your posters at the **ELECTRIC FETUS** and we will gladly pick them up for FREE. Pickup for distribution from other Duluth and Superior locations is five bucks.

Printing

Save another step and send us the electronic files, paper preferences and quantities, and we can have your posters printed, picked up and delivered for you. Below is a list of estimate printing prices. Please note that pricing is subject to paper type, quantity, etc.
